Description

Exceptional and rare Asian temple bell in bronze with brown patina and medal from the beginning of the 18th century perhaps earlier, remarkable bronze work! Splendid sculptures! Interior ringing hammer in palm wood. Very nice ringtone! In very good shape ! Very heavy bell! Wrought iron bracket added by the collector to hang it on the wall. Very beautiful rare antique and good quality! Do not miss ! Attention collectors! Provenance from a castle's collection of Asian arts!
