Description

Very beautiful enameled and painted earthenware basin from the Faubourg St Denis factory, a small factory launched by Pierre Hannong from Strasbourg. Here very pretty oval shaped model with gilded bronze trim in very good condition (small chip under the earthenware at the edge of the bronze belt. Very Asian decor on one side and more European on the other with a fisherman in a boat in decoration in cartridge! Beautiful quality of email, magnificent piece, very decorative and functional! Dimensions of 30 cm in length by 17 in width and 25 cm in height. Visually superb and rare! Not to be missed!
