

Pair Of Restoration Period Armchairs

1 280 EUR

Period : 19th century

Condition : Bon état

Material : Mahogany

Width : 60

Height : 94

Depth : 64

Description

Pair of 1820 Restoration period armchairs from a castle in Eure (like the 3 other pairs of armchairs for sale on my store) Imposing and opulent model, very beautiful armrest base, St Andrew's cross shaped backrest with carved central medallion (missing a piece of rosette on one of the armchairs) trim and tapestry are original (small holes on the edge) if not perfect condition, brings a lot of charm.
