Description

Very rare bronze patinated cast iron pedestal table set with its two wrought iron and bronze patinated armchairs. Greek decoration on the gondola barrel shaped backrests. In very good condition, all from the 50s and 60s. Probably from a great designer given the sculptures in the shape of horse heads and hooves for the base. Dimensions of 72 cm in height by 68 cm in width, (original thick glass top) 73 cm in height for the armchairs by 56 cm in width at the back. 45 cm depth at the seat and 64 cm height for the seat. Quite rare and visually superb set. Structure of the pedestal table and fairly heavy armchair. Good stability on the ground. Do not miss .
