### Description

It is ready to be installed. This beautiful oil on paper, from the 18th century, was framed in the 19th century. I unframed it to see the montage. The oil on paper was mounted (glued) on strong cardboard and a thin cardboard surround was added. The whole thing goes together perfectly. Its beautiful Napoleon III period frame has a small lack of stucco on the edge (last photo). Sold in new condition, to finish cleaning... or not. Dimensions: 37 x 31 cm. Fast, careful and very secure shipping.
