Description

Three African iron currency blades or swords currency from the Topoke peoples from the Democratic Republic of Congo which are nicely presented upon a custom metal stand. Such blades were used by various tribal groups in the Democratic Republic of Congo as a form of currency. They were used to close a variety of important transactions

The swords are decorated with a central edge and incised grooves around the edge.

very decorative set which match perfectly into a modern or old decoration

Beautiful patina and in very good condition

The dimensions correspond to the size of the largest sword with its base
