## Description

COD: 11002
Elegant Italian chest of drawers from the mid-20th century. Art Deco style furniture with ebonized wooden base and body veneered in walnut wood, of excellent quality. Dresser equipped with four spacious drawers, the first of which, at the top, is complete with lock and working key. Wooden top in character with some signs of wear (see photo). Furniture of particular shape and construction, it can be easily placed into different parts of the house, also useful as a support for a sculpture and large vase.
Structurally sound, shows small signs of aging, overall in good condition.
As each of our items will be accompanied by a certificate of authenticity and guarantee as well as photographic documentation. Visit our website
