### Description

Spherical chandelier from the Italian house Fontana Arte, Sputnik model. Chromed structure of 13 lights and hand-cut and faceted pendants in the style of Max Ingrand. Blue glass, reminiscent of rock crystal. Very good overall condition, chrome slightly pitted due to its age, one tassel showing a break, visible in the last photos, invisible once hung because all the tassels are rough cut. Chandelier completely removable and therefore easy to transport. Dimensions 45 cm in diameter x 100 cm in height with chain.
