Details The handcrafted details of this secretary coffee table are truly extraordinary. Each drawer was made with meticulous precision, and the handles are an example of the craftsmanship of the period. The craftsmen of the Directoire Period had an eye for detail, and this piece is proof of that. Functionality and Elegant Design In addition to its beauty, this secretary coffee table also offers great functionality. With its three spacious drawers, it offers generous storage space for documents, pens, cards and more. Its sleek rectangular shape and straight legs add a touch of class to its overall design. Ideal Dimensions With a length of 135 cm, a width of 99 cm and a height of 80 cm, this secretary coffee table has dimensions that make it adaptable to various environments. It can be placed in a corner of the living room, in an office or even in a bedroom. Possible Conservative Restoration Although this secretary coffee table is in a good state of conservation, it could benefit from a light conservative restoration to preserve its beauty and durability over time. This service can be offered upon request, ensuring that the coffee table will continue to shine throughout the years. Delivery and Payment We are pleased to offer worldwide delivery via reliable courier services such as Fedex, UPS and DHL. Each piece is carefully packaged and insured to ensure it arrives at your address in perfect condition. Additionally, personal delivery can be arranged if you prefer to collect the coffee table in person. Regarding payment, we accept bank transfers, Visa and Mastercard, making the purchasing process convenient and secure for you. This Walnut Secretary Coffee Table from the Directoire Period of the 18th Century is truly a timeless gem. With its captivating history and timeless beauty, it will add a touch of class and character to any space.
