2 800 EUR

Period : 18th century

Condition : Bon état

Material : Ceramic

Length : 12.7cm

Width : 12.7cm

Diameter : 0,9cm

### Description

Germany  
Ansbach  
18th century

A set of 16 blue and white, with manganese tint, tiles with decorations of animals and figures. Very fine painting and much detail in the animals and figures. Without corner decoration.

The tiles are in good condition, but they have some professionally restored small chips around the edges.
