18th Century Flintlock Rifle In Original Condition

350 EUR

Period : 18th century

Condition : Prévoir restauration

Material : Wallnut

Length : 135 cm

Width : 11cm

Description

Long flintlock rifle in its original condition. Length. 1m35 The walnut stock shows numerous attacks of xylophages. (See photos) Look carefully at the photos No transformation or renovation. Perfect for a collector capable of restoring it (treat the stock with a hardener and rub the wrought iron and bronze parts. But everything is there original The shoulder strap leather is cut at its attachment point I think it is signed, traces of letters. ??? This rifle has always been in the same family since its birth (hung for decades on the fireplace mantle)
