Description

Showcase, Regency silverware at support height, Liège work from the 18th century. Important and interesting piece of furniture at support height, glazed on the front and on the sides, serving as a display case or rather a silver stand to display your precious crockery, it is a rare piece of furniture in this composition, it opens with two separate glass doors by a fixed frame and by 2 cornice drawers the sides of the furniture are also glazed. It is a typically Liège piece of furniture, dating from the second half of the 18th century, in mesh oak of very good quality as it should be, the woods are carved with numerous motifs from the Louis XIV repertoire such as the facing "Cs", the bases acanthus, foliage, palmettes and flowers, all with an interesting work of openwork parts at the level of the glasses in the style of
