### Description

Pretty modern vase with interlayer decoration by Olivier Mallemouche. Very pretty colors and beautiful glasswork for a thick glass vase. We find touches of blue, yellow, green and red in a white clouded glass with gold and silver flakes that enhance the piece. The glass is very thick since the decoration is included in an interlayer of the glass. This work is reminiscent of the work of Jeab-Claude Novaro in Biot. Olivier Mallemouche is one of the greatest modern French glassmakers. He still works at Bretenoux. Perfect condition, signed, dated (1998) and numbered. 13 cm in height, more than 1.2 kilos! Such modern French glassware, very decorative!
