

Rare Pair Of Drink Fountains With Camaïeu Decor

2 400 EUR

Period : 19th century

Condition : Bon état

Material : Tin

Diameter : 16

Height : 39

Description

Rare pair of drinking fountains in caramel lacquered pewter, decorated with village scenes and landscapes with ruins in monochrome. The upper part of the body and the collar are enhanced with friezes with floral motifs painted in gold on a black background. Each barrel is garnished with two gilded bronze lion's muzzles, holding a ring. Curved tripod base, finished with wooden glides. Empire period.
