Description

Crystal and silver-plated jug.

The crystal is worked in hollow and is decorated with flowers and opaque bunches of grapes.

Below, it is hollow in a star shape.

The silver metal is located on the handle and the lid. Inside the jug, there is an ice cube tube with the silver metal and cork lid underneath and the glass part that can receive the ice cubes.

Very good condition of the jug.

We also note a crack on the top of the ice tube and we notice that it has already been repaired and glued back together.

In the upper part, under the handle, "Germany" is indicated.

20th century German work.
