Description

Vietnam, end of the 19th century, beginning of the 20th century, superb and large circular wooden box inlaid with mother-of-pearl. Inside, a removable and compartmentalized intermediate level allows you to store small objects. The mother-of-pearl inlaid decoration depicting a plant and floral environment richly adorns the top of the lid and its outer rim. Very good quality creation.

Diameter 27.8 cm. Height 12.5 cm. The scale indicator in the last photograph is a small model of a lighter from a brand known to everyone. Good condition except for slight barely visible restorations. Nothing abnormal and no impact on the beautiful aesthetics.
