Description

Once again, Jean Mingam's ceramics are rare...
Here is another example of this "confidential" production.

Here a superb and large maternity ward in unglazed terracotta.

It is signed on the base on the back Jean Mingam and dated 1958 I think.

Dimensions; 41 cm high x 19 cm wide x 19 cm deep at sight.

In very good shape.

The Pont-Aven Museum held a retrospective of this major artist in 1990.
