19th Century Lacquer Box Portrait Of Bearded Man

480 EUR

Period : 19th century

Condition : Très bon état

Material : Lacquer

Diameter : 11,5 cm

Description

Elegant and superb round lacquer box with a bearded character decoration. The man is dressed in a blue tunic covered with a red cape, with long hair, a steady gaze, and a long curly beard. Great meticulous work, particularly in the facial expression. The set is in its original condition, of high quality with the colors remaining very bright.
