

Hunting Elephant Fly Beaded Royal Bamoun Cameroon

700 EUR

Period : 20th century

Condition : Quelques manques

Material : Glass

Description

Very interesting Bamoun beaded fly hunting from Cameroon. These prestige objects are signs of power and authority and are the property of the clan chief or the Bamoun kings. Beautiful decoration in multi-colored glass bead, probably an elephant's tail serves as a fly catcher, the object is old and has been used, so it shows wear, stains and small losses, without base. Total height 70 cm.
