

Pair Of "antique" Style Bronze Candlesticks

280 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Diameter : 10 cm (base)

Height : 36 cm

Description

Pair of bronze candlesticks with brown patina depicting an urn flanked by two ibises with outstretched wings and resting on a circular base decorated with water leaves. The central urn is decorated on the body with small dancing puttis. The binets are also in bronze alternating two brown and golden patinas.
