Description
-------------

Hello, I am offering you this pair of flat vases dating from the second part of the 19th century. Very beautiful cobalt blue font enhanced with a motif representing a snail on a vine leaf accompanied by a bunch of grapes. Belgian work with lines inspired by Asia. Decor enhanced with gilding. Manufacture of Masmuel (near Mons) in Belgium, Earthenware produced from the Tergnier mold Without a trademark, like practically all the ornamental pieces produced under Auguste Mouzin in Wasmuël. I point out some imperfections due to time (visible in the photos) otherwise it is in good general condition Dimensions: Height 30 cm, Width at the tip 24 cm These vases are visible in my shop located at 57 rue Victor Hugo, 76000 Rouen dispatch possible (ask for a transport quote) See you soon
