### Description

A "Bento" box in carved lacquered wood... For a chic picnic... Black on the outside and brown on the inside All the pieces are enameled with gold All the corners are gilded with a matte gilding... Provenance from JAPAN... From the 1900s In good general condition with some wear and tear... A few farts on certain golden parts... I can reduce them with a little golden paste...! A crack at the bottom... (not serious) There are 5 mini trays plus another with feet... And 3 series of boxes including one with lid... The hinges are very functional It closes and opens with a small push button.. The handle is detached from a fixing for complete opening... The two small holes, which we see on each side are for pushing the series of boxes.. Weight...2 kilos 360 gr
