Description

Freshly found, presented in a modern but neat framework, here is a very pretty watercolor drawing. It represents two figures at the foot of a tree, where birds and dead leaves frame the subject. Signature in lower left corner: M. Chahbazian 1950 Tehran.

Very good condition, well framed, a little wear in the lower part, clearly visible in my detailed photos.

Iranian working, dating from the mid-20th century, 1950.
