Description

Large painting representing old cottage-type houses by the sea or a river.

The scene is not titled but being a local resident I think that this village must be located between the edge of the Etel river called the Etel ria (Morbihan) and the old port of Plouhinec (Morbihan).

The pictorial style like the colors of our painting remind me of the work of the painter Georges Laporte (1926-2000).

Signed on the back Jean le Pelch, painter born in 1926 and died in 2006.

the frame measures 97.5cm x 78.5cm and the canvas measures 92cm x 73cm.
