

Revolving Leather Director's Chair

4 600 EUR

Period : 20th century

Condition : Bon état

Material : Leather

Width : 68,5 cm

Height : 101 cm

Depth : 62 cm

Description

A superb and very handsome revolving leather director's chair with a high back and comfortably wide, padded seat. The arm rests are shaped and enclosed, and the leatherwork nicely aged and full of timeworn character, and accented with brass nailhead trim throughout. The chair is supported by four out-swept supports, terminating in brass shepherd castors. This is a really comfortable chair, and would be an extremely stylish addition to a home office or study.
