Description

Swiss Mondia Sea Scout watch, circa 1955.The Mondia brand was born in 1935 in Switzerland in Le LocleOver the decades, the company has offered the public timepieces equipped with interesting technical solutions, such as alarm clocks, launched in the mid-1950s and powered by the AS 1475 movement, or manual winders with power reserve indicator , also powered by AS calibers.In the 1960s, Mondia set its sights on expanding its production, trying to steal customers from the countless watch companies that populated the market during those decades.It was the volcanic 1970s that brought the greatest upheavals: in 1969, the House entered the "Movado-Zenith-Mondia" holding company and the partnership with the Maison de l'Etoile allowed Mondia to benefit from calibers, cases
