LE PLUS BEAU CATALOGUE D'ANTIQUITES

# Medicine Jar, Majolica, Savona 17th Century

1 100 EUR

Period : 17th century

Condition : En l'etat

Material : Ceramic

Diameter : 25 cm

Height : 30 cm

## Description

This container is a magnificent example of ancient restoration, which accepts old damage but allows future use. The damaged foot and the broken handles on the sides were certainly supplemented by tin mountings from the 18th century. Tin was rarely used after 1800 for repairing ceramics. Probably Savona 17th century
