Description

Large porcelain vase from the Limoges factory from the 19th century in the Louis XV Napoleon III style. Magnificent piece in excellent original condition with a central scene in a reserve under a Sèvres blue background of exceptional depth. Very nice size, height 55 cm. Note the original character of the animated setting of a Diana the huntress playing with a love interest in a rural environment. Very beautiful painting signed by the artist lower right, Maury. Remarkable work of baroque scrolls treated in light reliefs with fine gold. Interesting piece due to its size and quality for a collection or the decoration of a beautiful interior. Possibility of delivery by professional carrier and secure package.
