Napoleon III Rocaille Style Trim

750 EUR

Signature : Mougin

Period : 19th century

Condition : Bon état

Material : Bronze

Description

19th century rocaille style fireplace set from the Napoleon III period in chiseled and gilded bronze, composed of two candelabras and a clock with a movement signed AD. Mougin The clock is curved in shape and decorated with a pediment with the attributes of Eros representing a quiver and a flaming torch placed on a flowered mound, it rests on an openwork terrace with arched feet, it presents a naturalistic decoration composed of branches of Acanthus and floral scrolls set against a trellis background. White enameled dial with Roman numerals animated by finely chiseled hands. The candelabras release four arms of light on two levels with a rocky foliage and flower motif ending in binets. Good general condition, suitable original gilding, complete movement to be serviced. Pendulum dimensions: 44 cm high x
