Isidoro Lázaro Ferrer (1946) - Gràcia

220 EUR

Period : 20th century

Condition : Très bon état

Material : Oil painting on wood

Description

- Oil on panel. A contemporary artist, whose frank and brilliant brushstrokes allow a glimpse of the light of Barcelona, Lázaro Ferrer has flirted with abstraction on numerous occasions, but he began to practice relaxed figuration, with a Mediterranean tone, in the 1960s and 70, with simple but inspired lines. . Lázaro Ferrer owes a large part to graphic means of reproduction and a deep respect for Chinese and Japanese art: flat surfaces of color contrast with delicate brushstrokes as in an oriental landscape. - Unframed image dimensions: 18 x 24 cm / 37 x 45 cm with a beautiful, classically inspired frame.
