Description

Dangling earrings, old, falling into the category of ethnic jewelry, Berber type, handcrafted. As a result, they are made of silver (swan hallmark), and adorned with emeralds with a soft, bluish color. They are also embellished with rubies and different baroque pearls. Everything is mounted so as to be mobile, on a swan neck system. The brilliance and general aesthetic rendering of these earrings evoke softness, through the colors of both silver and emeralds, and the mother-of-pearl of the pearls. Note: a tiny, barely perceptible gilding nevertheless contributes to the shine of the jewel. Total weight of the emeralds estimated at approximately 2 carats Gross weight: 6.88 g Condition: imperceptible micro-scratches on the metal, characteristic natural inclusions in the colored stones, patinated rendering of the pearls
