### Description

Caduceus shells which served as a coin changer in a pharmacy a long time ago.. The snake, always on the lookout, watches with its coral eyes anyone who tries to steal the change..... When I was little, the pharmacist of my grandma had the same but with my child's eyes I imagined it bigger... Bronze signed under the scallop:  
S;Norga for Sylvain Norga, Belgian sculptor, 1892-1968
