

## Bastet....osteology Doree

235 EUR

Period : 20th century

Condition : Parfait état

Material : Bone

Diameter : 11 cm

Height : 20 cm

### Description

Too bad it's not the real skull of Bastet, ..... nevertheless, the one who painted this real cat's skull with fine gold, really had the intention of deifying it... even though 'afterwards he protected his work under a glass globe... And it's very pretty.
