Description

Chandelier in Cristal de Roche with Eastern-like decor.

Polychrome iron, rock crystal and smoky quartz.
20th century.

Six-arm chandelier with Far Eastern-inspired decor. The central dagger takes the form of a figure wearing an umbrella, while the uprights of the cage are adorned with flames. Jagged leafy motifs adorn the light arms and the binnacles are in the shape of leaves enhanced with gold. A rock-crystal seed finishes the chandelier's cage, and sprays of rock-crystal pearls escape from either side.
