Signed Greta Van Puyenbroeck was born in

Antwerp in 1943. Her parents, Paula

Verberckmoes and Vital Van Puyenbroeck , both

artists, laid the foundation for his love of art

through their example. From 1960 to 1962, she

took painting and sculpture classes at the Royal

Academy of Fine Arts in Antwerp. At first, it was

mainly her children and her pets who inspired

her, then it was almost exclusively animals. She

was well known at Antwerp Zoo and

Planckendael, as she always modeled there. Most

of the animals are portraits and the connection

between her and the animal is usually tangible.

Since 1976, she has exhibited several times, by
