Description

Superb and large box with double compartments.

The box is round, made of burl wood, the interior is made of tortoiseshell.

The lid and the base have a small protruding molding allowing a good grip.

In addition to its large dimensions, this box has the rare particularity of being made up of three parts forming two compartments.

The central part can be removed, the bottom and the lid fitting together perfectly.

Painted or tinted lines highlight the lid, the upper opening and the bottom of the box.

Superb box with a beautiful presence due to its
