

## Console Table, Venetian Taste, 19th Century

8 000 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

### Description

The walnut console table features a refined design, made from a combination of ebonized wood and gilded wood, taking the form of an elegant desk. The table's legs are artistically carved to depict Nubian figures, and it opens to reveal three drawers beautifully linked by motifs of foliage, fruit and children. Of Italian origin, this piece is an example of Venetian work.

Dimensions: - Height: 98 cm - Width: 162 cm - Depth: 61 cm
