Description

Extremely rare unmolded workshop proof which comes from the Lalique workshops in Wingen sur Moder. This is a rough unmolding, probably intended for rebus or a test of the "Wisdom" series created in 2016 for the Chinese New Year. The year 2016 is that of the monkey in the Chinese calendar, Lalique presents the box of wisdom, with three superb monkey sculptures, the mute monkey, the deaf monkey, the blind monkey. We can still clearly see the traces of unmolding. Amber color. Dimensions: 23 x 6 x 10 cm Weight: 1kg Extremely rare piece for an informed collector, which allows you to retrace the different stages of the creation of a work at Lalique.
