Netsuke - Frog Perched On A Colocynth Tail. Japan Edo

3 500 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Length : 6,2

Description

Netsuke - Unusual and superb model of a frog perched on a colocynth tail in carved wood. Boxwood. Brown horn inlay for the eyes. Very pretty sculpting details in the rendering of the animal's skin and in the appearance of the colocynth tail/stem. Length: 6.2cm. Japan Edo (1603-1868) 19th century.
