

## Small 18th Century Hunting Console

2 000 EUR

Period : 18th century

Condition : Bon état

Material : Oak

Length : 76

Height : 79

Depth : 41

### Description

Small hunting console, or 18th century game console. It rests on two feet joined by a sculpted shell. It is topped with a thick, breccia marble top, with a corbin beak profile. Oak console, damask belt and base. Decorated with knots on the legs. Very elegant.
