

## Pair Of Silver Metal Candlesticks, Ianthe England, 1950s

150 EUR

Period : 20th century

Condition : Très bon état

Material : Silver metal

Diameter : base 10 cm

Height : 19 cm

### Description

These elegant shabby chic silver-plated candle holders were made in the late 1950s by Ianthe England who was at that time a well-known manufacturer of silver-plated tableware. This pair of candlesticks testifies to their quality. Their base is covered with velvet felt.
