Description

Very beautiful engraving in the fantastic universe of Philippe Mohlitz (1941-2019). Here represents a scene of an abandoned boat in a river landscape. Numerous character details, floral/plant figures, skies etc. Drawing using the Mohlitz technique is incredibly defined. It is here as reported in the lower margin of an Artist's Proof (EA) signed by the artist and dedicated. See the pictures. The work is also signed with a 'Mohlitz' cartouche at the bottom right of the plate. Dimensions: 23 cm wide x 32 cm high (The engraving is framed and presented under a mat which only allows us to measure the visible part of the work). In a perfect state
