Description

This book is in very good general condition, with some small traces of time. Defects noted: the corners are slightly blunted, the caps also, but really nothing important. The interior is clean and very solid. Rare and interesting clandestine and anonymous edition whose author openly criticizes King Louis-Philippe, treating the latter as a usurper and questioning his integrity and legitimacy. Dimensions: 10.8 x 7.5 cm. Fast, careful and very secure shipping.
