### Description

Elegant armchair in solid Cuban mahogany resting on front shank legs and rear saber legs. The continuity of the legs is done by an inverted console supporting the armrests forming a stock. On the sides, we discover sculpted ornamentations. The seat, in excellent condition, is made in the old-fashioned way with straps, springs and horsehair. It is covered in a striped silk fabric, dark pink and beige, studded on the structure. Refined, this characterful armchair with rounded lines will easily find a place in your interior. \*\*\*\*\* Period: Early 19th Century Excellent condition. Waxed finish.
