Description

Pretty and interesting vase in pressed opaline, molded and enameled with ipomea by Baccarat. Very old model clearly referenced with decoration of ipomea winding all over the vase. The plant decoration is molded, the leaves and flowers are enamelled on top in an intense blue. The relief of the decoration gives all its presence to the vase. The whole is enhanced with gold on the branches. Elegant shape on a small heel and wide horn collar. These vases are offered by some (see last photos) at unreasonable prices. 32 cm high, perfect, circa 1860, well referenced. Beautiful old collector's item.
