Description

Lovely modernist photo frame in steel and chrome-plated bronze for the two side cylinders. For the presentation, instead of the photo, I inserted decorative paper between the two glass walls which are held in place by a small rim. Very good quality, it weighs 600 g. "Space-age" period around 1970. Dimensions: 24.5 cm x 16 cm overall 18 cm x 12.8 glass Good condition. All original. This unusual frame, entirely from the period, has been used and therefore has slight and normal traces of age and use. Rub scratches on metal on interior sides. Many other objects to discover in my stand at the Trade Shows in which I participate. Follow my gallery to be informed of new developments and to know the dates of the next Shows... Any questions?
