Description

Margol (Spanish or Catalan School, early 20th century): "Ladies in an interior", oil on cardboard 30.5 Small peripheral accidents and slight wear to the frame. Although I haven't found anything about this artist, his style makes him close to certain artists, particularly Catalan ones like Nonell or the first Picasso. Diffuse, almost evanescent, it shows us Ladies in an interior waiting for who knows what, a bottle and a glass on a table to overcome boredom... Do not hesitate to ask us for photos or additional information by email or telephone. Other photos and many other objects in our stores in Pau and Biarritz and on our site: galerielhoste.com.
