Description

Old & important Haviland porcelain table service. Published for the first time in 1974, the Louveciennes collection is inspired by a neoclassical decor created in the 18th century by the Sèvres factory for Marie-Antoinette. The decoration consists of alternating blue and gold medallions decorated with a rose and golden medallions. Between the medallions, garlands of intertwined laurel underline frames containing roses and cornflowers. The bottom of the plates is decorated with a bouquet of flowers surrounded by golden scrolls and intertwined laurel garlands.

This service consists of:
