beautiful gilding. Hour Lavigne has been manufacturing prestigious clocks since 1848. It was at this time that Charles Hour took over a very similar watch movement manufacturing workshop. Alongside this activity, he began reproducing style clocks. By joining forces with Maurice Lavigne, he gave birth to the Hour Lavigne brand which remains, even today, one of the jewels of French watchmaking art. Hour Lavigne is an exceptional brand appreciated for its know-how and passion for art.
