

Pair Of Armchairs In Carved Walnut Wood

3 000 EUR

Period : 19th century

Condition : Bon état

Material : Wallnut

Description

Exceptional pair of armchairs in carved walnut wood with gilded parts.

The carvings present on both armchairs are of extraordinary refinement, with finely crafted details that extend to all elements, including finely shaped armrests and legs, creating a visual harmony in every part of the armchair.

4 armchairs plus sofa available.

Florence capital period, 1875.
